Education

ArtCenter College of Design | Pasadena, CA

09.2019-08.2023 | Bachelor of Science in Interaction Design with Distinction
ArtCenter's Interaction Design program teaches students to create impactful user experiences by combining design, technology, and an understanding of human behavior. It focuses on user research, prototyping, and problem-solving to develop innovative solutions for digital platforms.

Experiences

UX Designer, Ride Experience Intern | Zoox | Foster City, CA

09.2023-Present, 05.2022-08.2022 | Zoox is a subsidiary of Amazon developing autonomous vehicles that provide Mobility-as-a-Service.

- Collaborated with cross-functional teams to define core service capabilities and create a seamless robotaxi experience for riders, ensuring alignment across design, research, engineering, and product management.
- Facilitated and organized use case generation workshops, fostering active participation and collaboration among stakeholders to identify diverse user scenarios and needs.
- Analyzed and categorized the generated use cases, identifying common themes and patterns to gain valuable insights and inform the ideation process for innovative solutions.

Teaching Assistant | ArtCenter College of Design | Pasadena, CA

02.2022-05.2022 | The class was focused on getting product design student's web portfolios ready for internships.

- Provided guidance and support to students in creating their web portfolios, ensuring a professional and visually appealing presentation of their design projects.
- Collaborated with students to frame the message of each project, highlighting the design thinking and decision-making process involved in their creation.
- Assisted students in curating project content and organizing it effectively on their portfolio websites to communicate the problem addressed, user research conducted, and iterative design approach undertaken.

Recognitions

ArtCenter College of Design | Provost List | Pasadena, CA

09.2019-Present | Recognition of all undergraduate students enrolled as full term who earn a semester GPA of 3.80 or higher.

PCC Extension | Introduction to CSS and HTML5

07.2018 | Received a certificate at Pasadena City College for completing 6 weeks course for basic knowledge of HTML & CSS.
